SANKOFA CONSULTING

Board Development Programmes

Executive education for Ethiopian boards, chairs, board secretaries and directors

Better boards, built on lessons already learned

Sankofa Consulting Limited is a board governance advisory, training and consultancy firm working from Addis Ababa and Nairobi. We help Ethiopian and East African boards become more effective, commercially astute, accountable and risk-conscious, and able to create long-term value. Our courses respond to real boardroom decisions. Every director leaves with practical tools, board templates and decisions they can apply at the next meeting.

For boards
Whole-board and committee sessions, in-house

For chairs
Programmes built for the person who leads the board

For board secretaries
The governance processes that make boards work

For individual directors
Open courses in Addis Ababa, alongside peers

Choose your courses

Tick the courses that interest you, then complete the registration form overleaf. Courses run as **open programmes in Addis Ababa**, as **in-house sessions** for a single board, or as **immersion programmes in Kenya.**

*All fees are per participant and exclude applicable taxes. **Addis Ababa** open courses include tuition, course materials, lunch and refreshments at a four-star hotel. **Kenya residential** programmes in Nairobi or Mombasa include tuition, materials, full-board single-room accommodation for one night more than the training days, and a sightseeing day; international flights and airport transfers are not included. In-house programmes for a single board are quoted separately. Durations are indicative and can be adjusted to your board's needs.*

How our courses work

Real boardroom decisions
Built on Ethiopian and Kenyan cases, not generic management theory

Practical tools
Checklists, dashboards and templates your board can use at its next meeting

Faculty who have sat at the table
Board chairs, directors and specialists who have led institutions themselves
